AG Consultancy

AG Consultancy WLL was established in July 2018.

We specialise in contract solutions, quantum expert reports, construction contract advice, issues regarding payment, payment notices, claims for loss & expense, suspension, termination, party representation and support.

We are experts in providing specialised support to the legal profession in Arbitration, Litigation, and Alternative Dispute Resolution.

We deliver Quantity Surveying (Pre and Post Contract) Services, Commercial and Contract management Services, Preparing quantification and pricing documents, tendering, budgets, cost plans, tender reports, Value Engineering Services, Contract and Claims Advisory Services in Qatar to our esteemed clients for their prestigious iconic construction projects.

Our objective is to add value to our Clients throughout the project lifecycle aimed at improving the project Cost Efficiency and Certainty by adopting a process oriented approach using suitable international methods and tools to set realistic budgets, value engineering and value management of costs till completion.

We help Contractors and Developers to maintain their commercial and contractual interests in the project by delivering the project intent. While adequate care would have been taken in establishing the right contract packaging, it is equally essential to ensure a sustained proactive and precise monitoring process is established and continued effectively until successful contract closure in order to achieve the originally set cost, time and quality objectives.

Our clients enjoy the benefit of our timely advice to their various commercial and contractual issues.

We also help our clients to strengthen their project commercial / contract management team by providing highly skilled professionals in timely manner with commercial advantage too.

## AVINASH GAIKWAD

We pride ourselves being The First Indian – Qatari Chartered Quantity Surveying, Expert Witness, Commercial Mediator, Claims Advisory, Forensic Planning, and Dispute Resolution Firm. AG Consultancy was established in July 2018. Today, we remain committed to the same ideals and objectives that have driven our success over the last year. We are proud of our past and we have an active present and we look forward to a promising future. These values are ingrained into our corporate culture.

We are committed to having a good partnership, transparency and reliability with our clients. Our clients are fully aware that we have the skills, resources and expertise, and most importantly, the ability to complete the services to the highest standards on time.

Last, but by no means least, a warm word of thanks to our own employees: the foundation and pillars of our success, who have shown care and responsibility at every turn and who have enabled us to become.

The journey of AG Consultancy WLL is never ending. But with the support of my team and clients, I am confident that the company will continue to scale milestones of excellence for years to come.
